any man
can be a
father,
but it takes
someone
special
to be a

a **father** is loved
not for how tall he stands,
but for how often he bends
to **help,** **comfort** and **teach**

We can do no
great things,
only small things with
great love

My **father** didn't
tell me how to live;
he lived and let me
watch him do it

my **Father** gave me
the greatest **gift** anyone
could give another person:
he **believed** in me

alone we can do so little
together
we can do so much
